OLD VETS AT DINNER.

The Annual Reunion of the Macon County Mexican War Veterans.

The Macon county veterans of the Mexican War, to the number of 20, their wives and friends, have possession of a shady retreat in King's Orchard to-day, it being the occasion of their first annual reunion and picnic dinner, on this, the anniversary of the battle of Chancellorsville. The dinner was anything but "hard tack," although Veteran Blalock insisted that it should be known only as Mexican ration. The spread was on the green sward upon white tablecloths and was a grand feast of good things provided by the ladies of the party. There were about 75 persons at the dinner. Veteran John W. Hartley provided the excellent coffee.

THE ROSTER.

The Mexican War veterans present were:

Frederick Smith, of Decatur, Co. G, 4th Ohio. A. B. Farmer, of Decatur, first sergeant Co. F, 4th Ohio.

Charles Turner, of Decatur, Co. G, 4th Illinois. John W. Hartley, Decatur, Co. A, 4th Illinois. Thomas L. Blalock, Decatur, Co. G, 4th Illinois. David Blalock, Mt. Zion, Co. D, first North Carolina.

Thomas P. Peterson, Decatur, Co. G, first Illinois. James Turner, Mt. Zion, Co. G, 4th Illinois. Walter E. Smith, Decatur, Co. I, 4th Illinois. Madison Bradshaw, Decatur, Co. I, 4th Illinois. John W. Hartley, Decatur, Co. I, 4th Illinois. Thomas L. Blalock, Decatur, Co. I, 4th Illinois. Charles Smith, Decatur, Co. I, 4th Illinois. Eleazer Workhouse, Sangamon, Co. I, 4th Illinois. William McDaniel, Mt. Zion, Co. I, 4th Illinois. D. W. Chase, Mt. Zion, Co. I, 4th Illinois. W. R. Wheeler, Long Creek, Co. I, 4th Illinois. John Charles, Decatur, Co. I, 4th Illinois. W. J. Carey, Decatur, Co. I, 4th Illinois.

David Blalock claims to be the only surviving son of a hero of the Revolutionary War. If there is another son of a Revolutionary soldier living he would be pleased to learn his address.

The principal address of the day was delivered by Judge Nelson, followed by reminiscences by veterans.

David Blalock was elected president and John W. Hartley secretary.

Despair and Bad Whisky.

A telegram was received here this morning, addressed to the father of Harry Hamilton, stating that Harry had committed suicide at Springfield Tuesday afternoon at 1 o'clock. The particulars of the suicide are as follows: The deceased went to Springfield last October and secured employment as porter at the Palace Hotel, Col. D. J. Block, proprietor. He held the position until last March, when he threw up his job and went to Chicago. Nothing more was seen of him in Springfield until a few days ago, when he again appeared at the Palace Hotel. Since his return he drank very heavily and was seemingly in very poor health. As is very often the case, a woman had much to do with Hamilton's taking his life, as the deceased expressed it to a friend a few minutes before he fired the fatal shot. "The girl I loved has gone back on me and I don't want to live any longer." The girl's name is Miss Mary Coleman and she is employed in Springfield at the Keweenaw House.

Cycling Checks.

There was not a general turn out yesterday for the Starrin, owing to the rain, which left the dirt streets in bad shape. Harry Shilanderman received a new Victor safety yesterday.

The Psycho is a new English racing safety wheel, weighing only 43 pounds, which may be seen at Bicycle Headquarters. The front wheel is two inches larger than the rear one and is geared to 60 inches. Mr. Ewing received the wheel from Chicago yesterday. It is much faster than the ordinary safety.

Tom Hardy can ride a wheel with the ease of a will. Since Judge Van began riding a Warwick he has fallen off—on weight—nine pounds. Don't think he falls off the wheel, he's too much of an expert for that.

Several new lady converts to the cycling exercise have commenced taking lessons at Bicycle Headquarters.

Taken Possession.

The Macon County Title Abstract Company, of which Albert Barnes is manager, has taken possession of the new room in Powers' addition to the Grand opera house block, and will soon vacate the old quarters.

Mr. Jones, late of Nokomis, has leased the next new room south for a confectiory. It has been fitted up in good shape for Mr. Jones, who has placed part of his goods in the room.

A Send-Off for Decatur.

In the Abington (Mass.) Plymouth County Journal-Herald, of August 15th, appears the following note:

Hon. John A. Brown, wife and daughter, of Decatur, Ill., are the guests of Randall Richards and family. Mr. Brown came on to Boston with a large delegation from the town in which the order of the G. A. R. originated. He is a native of this town, being the only son of Lyndon Brown, well-known to all our older citizens. Decatur is a rising and progressive manufacturing city and shows the highest per cent of gain of any place in the West except Chicago. Mr. Brown and family will visit in this vicinity for a month or more.

Voice Culture.

Miss Elizabeth Knieser is now ready to receive pupils in voice culture at her home, 319 North Main street. a20d-w4

Some unknown lady rushed frantically across Lincoln square last evening and inquired of each passerby as to the whereabouts of her husband. She made straight for a saloon but was disappointed in not finding him. She said there were burglars in the house and she couldn't rest then out. She failed to find her husband. He was probably playing "hot back" in the card room of some out-of-the-way saloon.

Sunday Excursion to Terre Haute.

On Sunday, August 24th, the Terre Haute & Peoria R. R. will run an excursion to Terre Haute at one dollar for the round trip. Train leaves Union depot at 7 o'clock a. m. Don't fail to go. It is the last excursion of the season to Terre Haute. 18-45

Join the procession and go to L. F. Abrams' Fine Art Gallery and secure a dozen excellent photographs. Remember the place—over Peabody & Burrows' bank.

The old settlers of Platt and adjoining counties held a grand reunion yesterday at the Platt county fair grounds. They met in the yard of the first cabin erected in Platt county, sixty-eight years ago. The house was erected by a Mr. Heyworth, assisted by the Delaware and Kickapoo Indians. It was for a long time the home of William Platt, after whom the county was named. Judge Thomas F. Tipton and others delivered addresses. Ezra Marquis was elected president, William Platt vice president, William Tipton secretary. W. A. Regland.

Not the Right Man.

Charles Roberts, who has been held in jail since Sunday on a charge of having burglariously entered the home of John Stevenson on South Seigel street, was before Justice Curtis this morning for examination. He had witnesses to prove that he was at his home in another part of the city on Saturday, the day of the burglary, and he was discharged. Roberts happens to be known to the police as a suspicious character, and he was arrested on the identification of a girl who saw the man come out of the Stevenson house. She was mistaken.

Visitors.

J. O. Grimes, adjutant of the Illinois Division of the Sons of Veterans and a member of J. L. Crane Camp, No. 4, of Springfield, accompanied by E. W. Magee of the same city, are in the city to-day conferring with Captain Frank Cuse in regard to the rates to the National Encampment, which will be held at St. Joe, Mo., next week. The two camps will probably occupy the same car, the Decatur camp having already secured transportation over the Washburn.

SUICIDE OF A HIRED HAND.

The Rope Route Taken by a Weak-Minded Chap.

News reached the city this morning that a laborer in the employ of James Thorpe, a farmer, four miles northeast of Custer station, had committed suicide by hanging. Coroner Bendure went out to hold the inquest. The name of the suicide is Charles Jones or Smith. He had worked a week for Mr. Thorpe, and was a stranger in that part of the country. This morning, early he went out to the stable to feed the horses. He did not return in reasonable time, and on going to the stable to find the horses found dead. He had hanged himself with a rope tied to the gate post. The cause for the act is a mystery. The young man was slightly unbalanced mentally.

No Stalking Up During August.

I mean to double my August sales and this is the way I propose to do it: To sell you good goods cheaper than you can buy them any place else. Our goods will tell the story. Children's school shoes, ladies' and gentlemen's shoes, men's, ladies', misses' and children's shoes in Decatur at a low price can be had at Walter Hutchins', 117 North Water St. Repairing a specialty.

The Lon Brockway residence, at the corner of West Cornejo and College streets, appears to be a favorite place for burglars to visit. They went through the house last night and got about \$200 in cash. A great crowd collected when the women began to scream, but the thief got away. Monday night burglars went through the home of Robert Phillips on West Wood street. The family is in Europe. It is not known what articles of value were taken.

KEPT IT QUIET.

Owen Scott, Bloomington's Bourbon Politician, Pays Decatur a Visit.

The rain storm of Tuesday meant more than a boost for late corn and revival of the pasture—especially to the select Democrats of Decatur. It brought to their open arms Mr. Owen Scott, of Bloomington, who has been brought into public notice as the Democratic nominee for Congress in the Fourteenth district. He is the gentleman of quiet demeanor and silk-stocking dress, who defeated Hon. B. K. Durfee for the nomination at Lincoln, and is now going about in a very quiet way fixing things for election day. He came down from Bloomington last evening unheralded, and was hurried to Lincoln Square on an electric car. There was no brass band at the depot to greet him, neither was there a committee carriage. The committee was busy, perhaps, and didn't learn of the coming of Owen until after he struck the city. Still there was no perceptible shock, and the modest visitor got away on the 9:45 north-bound Central train without creating anything of a stir. He took tea at the St. Nicholas with John P. Brennan, chairman of the Macon county central committee, but beyond that incident, and his visit to the office of the Bourbon organ, the presence of the Bloomington statesman who thinks he is a candidate for Congress against Captain Rowell, was wholly unknown. The select Democrats saw him, and probably didn't amount he shall look over for campaign purposes. Whether the assessment was satisfactory to him will not be known until he forwards his check.

The Monticello Fair.

Decatur is sending large numbers of people daily to the county fair in progress at Monticello. A Decatur horse, Jack Shepherd, owned by Brenneeman & Co., won first prize money yesterday. The track was heavy, owing to the rain. First race, yearling trot, 1000 lbs. 1890. Purses \$250.

Willard Scott	2 1 1
James C. Taylor	1 2 3
Second race, three-minute trot. Purses \$400.	
Jack Shepherd	1 1 1
John J. Jones	2 2 2
Third race, running, half-mile and repeat. Purses \$100.	
Manhattan Jr.	1 2 1
Little Locket	2 2 2
Time—51.	

A PERFECT complexion, free from pimples or blemishes, is very rarely seen, because few people have perfectly pure blood. And yet, all disfiguring eruptions are easily removed by the use of Ayer's Sarsaparilla. Try it, and surprise your friends with the result.

It appears that Bloomington capitalists have no faith in their own town. They have formed a syndicate and Tuesday they bought 30 acres at Hammond, a Chicago suburb at \$8,000 per acre, and also 55 acres at Burnside, another Chicago suburb at \$3,000 per acre, making a total of \$255,000 invested in Chicago property. This is the second largest sale of Chicago property ever made to outside parties. The property will be subdivided and placed on the market for residence lots.

Death of John Wiesner.

John Wiesner died this morning at 3 o'clock at his home, two miles southeast of the city, of a complication of diseases. The deceased was 64 years and 8 days old at the time of his death. He has lived in this county for the past twenty-four years, being for eighteen years an employee of H. Shilanderman. He has been sick for the past eight months, during which time he had the best of medical attention and the constant assistance of his family. The family resided on East William street several years ago when they removed to their country residence. The deceased leaves a wife and five children, Mrs. Fred Littler, Mrs. Baptist and Louis Wiesner, of Kansas City, and Miss Lulu Wiesner, one daughter, Mrs. Frank Chaberman, being dead. The time of the funeral will be announced later.

County S. S. Convention.

The annual Macon county Sabbath school convention is to be held at the German Methodist church, near Boody, on August 28 and 29. The exercises each day will be full of interest to all workers, and there is every promise of a large attendance. Those down on the program are Mrs. A. E. Murphy, Rev. B. F. Sewell, of Illinois, A. H. Mills, Lonnie Harmel, of Boody, address of welcome; President J. B. Corin, Rev. N. M. Baker, Secretary G. T. Tucker, Rev. W. F. Trueblood, Rev. W. C. Miller, Mrs. Freese, of Chicago, Rev. W. F. Gibson and E. A. Gastman. Many others will speak and give points on how to conduct Sabbath schools.

Thanks.

The Decatur committee on the trip to Boston adopted the following resolution: Resolved, That the committee of the G. A. R. of Decatur, Post 141, and other persons, passengers from Decatur to Boston on the Washburn railway, that we are indebted to the officials and employees of the Washburn for their uniform courtesy and consideration during the trip and that we hereby tender them our heartfelt thanks.
